

For your **PRESCHOOLER.....Term 3 & 4**

PRESENTS

Cities! Busy Places- Friendly Faces

Grab your tickets...We're off to visit the Cities of the world....New York, Paris, Sydney and steep ourselves in their musical culture.... In this unit, sidewalks, elevators, skyscrapers, and world-travelling photographers are the theme. Learning through the pretend play that preschoolers adore, we'll be rhythmically busy playing storytelling games and handcrafting city "buildings" from wax paper at home so we can make a cityscape in class! Plus every activity has some at-home adaptations so the parent can take part in the learning. With a pair of resonator bars as a featured instrument, and a multicultural, jazzy collection of music, preschoolers will develop the social and intellectual skills they'll need in school. Here are more good reasons for Kindermusik families to turn off the television, the computer and the DS game, turn on the music and welcome the many adventures that "Cities!" will bring to your days together.
