

For your **PRESCHOOLER. Term 1 & 2**

presents *See what I Saw*

In **See What I Saw** preschoolers and their families are invited to explore the exciting world of outside play. Your child's imagination will soar as he/she explores Grasshopper Park.

You and your child will:

- **Pretend** - to find nature treasures and become a leaf or a feather and get blown around in the windy weather and re-enact a trip to Grasshopper Park.
- **Make music with Kindermusik Slide Whistle** - by exploring the music concept glissando.
- **Play Games** - Play a turn-taking game from West Africa with the Going on a Picnic game and a Musical ball game
- **Explore** - "Tricky Trails" and climb up into a tree house to "see what you can see"
- **Make** homemade shakers
- **Read** two books,
 - "The Ant Picnic Feast": the adventures of an ant family going on a picnic together and
 - "Can You Find Me?": a riddle book that encourages thinking skills needed for problem solving

See What I Saw brings more good reasons for Kindermusik families to turn off the television, turn on the music and welcome the many adventures that we can bring to your days together!
