

For your TODDLER.....Term 1 & 2

PRESENTS

Wiggles and Giggles

Wiggles & Giggles -- The more than 30 songs, 15 dances, and eight different instruments create these unique music activities, designed to reflect the importance of movement in the life of a toddler. What makes your child **giggle**? What makes your child feel emotionally secure? A toddler can seem so emotionally perplexing: needing to be held, feeling the security of loving arms, then in the next moment needing independence, pushing away and emphatically saying, "Me do it!" The Kangaroo has become a symbol of the emotional struggle of the toddler between dependence and independence. How does a toddler move? Or should I say **wiggle**? Many songs, dances and activities in this unit were chosen to reflect the importance of movement in life of the toddler. A favourite movement activity is in the story time book - "Watch Me!". From the gentle sounds of the 'Skye Boat Song' to the humorous unique sounds in 'Leap Frog', **Wiggles & Giggles**, will definitely excite the toddler and the adults. "Wishy Washy Wee" is a favourite of many Kindermusik parents. Many parents stating that bath time was a big hassle until Wishy Washy Wee made each bath time session heaps of fun. The book "Pete and PJ", brings water play to life.

About the Class:

- Age 18 months to 3 years
- Size of Class 7-9 children
- Length of Class 35-45 Minutes
- # Classes per semester 18 plus Celebration Class and Access to Catch-up Classes
- Parent Involvement Entire class
- Term Dates Term 1: Feb 1st – April 4th Term 2: Apr 23rd –July 22nd.
